

Denita Benyshek

Short Artist Statement

1/27/24

Benyshek's visual art conveys her intimate, wondrous, and visionary relationship with the natural world. She developed an intuitive and poetic visual language to convey the transcendent power of beauty, providing her audience with a portal to life's mysteries. A multi-media artist, her work spans visual art, poetry, performance, and academic research publications and conference presentations that integrates autoethnographic narrative and art.
